

SELECTION CRITERIA AND LISTS OF INTERNATIONAL REFEREES SELECTED FOR ALL THE TOURNAMENTS SCHEDULED THIS YEAR 2019

Criteria used by the International Referees Committee to select the International Referees (IRs) for the 2019 Tournaments:

1. IRs who were certified at an International Referee Training Course in 2018 will only attend one Tournament.
 2. IRs who have not refereed at an international tournament in the last 2-3 years were only selected to attend one Tournament.
 3. IRs that have only given availability for one Tournament were only assigned to one tournament.
 4. The HR and AHR, will go to another Tournament as IR.
 5. IRs only attended 0-1 tournaments in 2018, were assigned to go to 2-3 tournaments in 2019.
 6. IRs who went to 2 or more Tournaments in 2018, will go to only 1-2 tournaments in 2019. If they have been selected for only one Tournament, then they will be an alternate for another tournament.
 7. The IRs that are offered to be HR but have never been before, this year can only be chosen as AHR so that they can learn everything necessary to be HR in another year.
